First Vice President Sharon Hooper reported that even though there are no meetings during the summer months it is important to keep track of your volunteer hours. Also a reminder that if a member chairs a committee to take an "hour form" so you can record your event as soon as it happens and keep a "Heads Up" for report writing. These are very important. Sharon reported there will be changes in report writing this coming year. GFWC has eliminated the "Collaboration Departments". Meaning only one report per chairmanship. Outside activities, i.e. church volunteer etc. do not count, only club related projects. Sharon will continue to inform us about these report changes and help in every way, and will have new forms in September.
