# TORRANCE WOMAN'S CLUB NEWSLETTER

Marina District #18

California Federation of Women's Clubs    General Federation of Women's Clubs

1422 Engracia Ave., Torrance, Ca 90501 310-533-9116

Dear Friends,

**Do you have your hat ready for our April 2 general meeting?** We will have so much fun. There will be a prize for the funniest, prettiest, and best theme.

**Lillian Albanese** did a great job on our paper bag auction table. What a delightful afternoon we enjoyed. Thanks Lillian and to all the members that made dona-

tions.

Thank you **Louise Lowery** for taking our Easter donations to Rainbow Services. Louise volunteers tirelessly for this organization that helps victims of domestic violence, and we truly thank her for her dedication. She can use some assistance in assembling our donations. If you want to help, please let Louise know.

Recently, **Marjorie McKarns, Fran Day,** and I attended a thank you breakfast celebration at the Pediatric Therapy Network (PTN) facility in Torrance. This organization supports children with autism. The PTN staff members acknowledged the weighted vests and rice pillows that Marjorie and her committee made and the community fundraising assistance by Fran and her committee. Thanks to everyone for helping the children and staff of PTN.

Thanks to everyone that completed the TWC Questionnaire. Because of so many wonderful positive comments, it's evident that all of us are extremely proud of our club because "Together We Care." Your suggestions and concerns are appreciated and addressed in this newsletter. Please continue to feel free to ask questions and make suggestions.

Our heartfelt sympathy to **Pam Barrett** and **Jeaninne Glomboske**, they are in our thoughts and prayers at this difficult time.

With love,  
Kathleen

**SPRING:** Spring has arrived! Do you have 'spring fever' and are you ready to participate in our busy, busy calendar of events applicable to TWC and community?

**ARRIVAL:** Along with spring arrival, five new members arrived! They were introduced during the March 5th general meeting. "Flower power" was in the air while membership cards, TWC pins and green ribbons were presented to **Carol Cooper, Debbie Cross, Shirli Kabana, Donna Webb, and Paula Wiley.** Welcome ladies! We invite each of you to 'spring into action' and participate in various activities. The next meeting is Wednesday, April 2nd. The time is 11:00 am and the lunch fee is \$10.00.

**ACTION:** Ladies, it's that time of year again! Spring arrived and TWC membership renewal time

has also arrived. Be an early bird! Stop by the table in the foyer on April 2nd with money in your hand. Dues may also be paid by check to TWC and mailed to Beverly Greeno, membership chairman. The dues remain the same, \$40.00 per year. New members: throughout the year your membership dues were prorated pending the month your application was completed and you joined the club. Now --- begin the new year with your payment for membership renewal. Various Federated reports are due based on current membership of club, thus, May 15th is a suggested final due date. **Note:** if you have personal e-mail information, please share it with us for publication in our revised, membership roster.

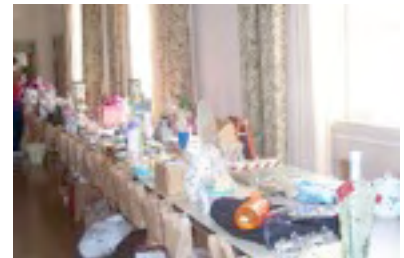

**VOLUNTEER:** Volunteers make our world go 'round! Our dedicated chairmen encourage more women to be involved in our club and community. Involvement brings new blood and energy; new ideas to our events; it's a terrific opportunity to work with new and old members and to gain friendships. We really do have fun and accomplish much with our projects -- knowing that others shall benefit from our worthy tasks.

It all happens because **"Together we care" and "Together we can do it!"**

## Conservation - Joy Marcon

### APRIL IS EARTH MONTH

Here are some Climate Project Suggested Solutions presented by Ted Lieu, Assembly member, 53<sup>rd</sup> District of the California Legislature. Listed below are ten things you can do and how much carbon dioxide you'll save by doing them.

1. Change a Light. Replacing one regular light bulb with a compact fluorescent light bulb will save 150 pounds of carbon dioxide a year.
2. Drive Less. Walk, bike, carpool, or take mass transit more often. You'll save one pound of carbon dioxide for every mile you don't drive.
3. Recycle More. You can save 2400 pounds of carbon dioxide per year by recycling just half of your household waste.
4. Check your Tires. Keeping your tires inflated properly can improve gas mileage by more than 3%. Every gallon of gasoline saved keeps 20 pounds of carbon dioxide out of the atmosphere.
5. Use Less Hot Water. It takes a lot of energy to heat water. Use less hot water by installing a low flow showerhead (350 pounds of CO2 saved per year) and washing your clothes in cold or warm water (500 pounds saved per year).
6. Avoid Products With a Lot of Packaging. You can save 1200 pounds of carbon dioxide if you cut down your garbage by 10%.
7. Adjust Your Thermostat. We went over this one before but it's worth repeating. Moving your thermostat down just 2 degrees in winter and up 2 degrees in summer (if you use air conditioning) you could save about 2,000 pounds of carbon dioxide per year with this simple adjustment.
8. A single tree will absorb one ton of carbon dioxide over its lifetime. Hooray for our Pennies for Pines contributions every month! Keep up the good work ladies!
9. Simply turning off your television, DVD player, stereo, and computer when you're not using them will save you thousands of pounds of carbon dioxide a year.
10. Please spread the word.

If you'd like additional information on conservation from Ted Lieu, please contact him at the District Office, 500 Center Street, El Segundo, CA 90245 The phone number is: 310 615 3515. Ted's email address is: [assemblymember.lieu@assembly.ca.gov](mailto:assemblymember.lieu@assembly.ca.gov).

## Thank You from Jeaninne

Jeaninne and her family say "*Thank You*" to all the ladies who have called, sent cards, and helped out at her son Chuck's memorial and dinner. Chuck was only 57 years old and Jeaninne is thankful for the support she has received from the members of TWC.

## Palm Desert Trip - Lee Large

The date for our Palm Desert Trip is Thursday, June 5th to Sunday, June 8th. Some of the ladies are coming in on Friday, June 6th. We will be staying at the Residence Inn and the cost is \$140.00 for three nights and \$100.00 for two nights. Each condo holds four people and there are lots of rooms left. We do have a condo with only three ladies, so don't hesitate to sign up. This is a fun weekend of shopping, eating, and relaxing. **Did I mention shopping?** I know for sure that Madonna knows where all the good shops are. For more information contact Lee Large.

## Clothes the Deal - Fran Glauber

This event was a huge success and we THANK **Fran** for all her work. We gathered 1410 pieces of clothing (which included pairs of shoes and suits) with a value of \$7,100.00. **TO ALL THAT HELPED AND DONATED, A VERY BIG THANK YOU! THANK YOU!! THANK YOU from FRAN!!!**

## Jeopardy Bus Trip in March

What a fun day we had going by bus to the taping of three Jeopardy Shows. We even got to pass by the line of people waiting to go in. The host, Alex, was so friendly and he talked to

the audience during each commercial break. Some of our ladies became known as the "Laker Girls" and some ladies won prizes.
