1 Executive Officers

First Vice President - Deanna Hanson

On August 18th, 14 ladies from Torrance attended/participated in the Marina District 18 Bragger's Tea held at the Redondo Beach Woman's Club. This is an event where all clubs in the Marina District are encouraged to cheer for one another as well as "brag" about their own accomplishments for the year. Awards were given to Manhattan Beach for best brag; to El Segundo for best costume; to Redondo Beach for best spirit and Torrance brought home the trophy for Best All Around!! We had fun planning and rehearsing for this event but it is even more fun when you win. A huge thank you to all of the participants: Betty Abbey; Pam Barrett; Barbara Bounds; Madonna Davenport; Kathleen Davis; Barbara Freeman; Jeaninne Glomboske; Beverly Greeno; Barbara Jarvis and Lynn Robinson. Sharon Hooper's voice helped us to be heard and Velta Lanhan and MaryLinn Coleman were on the judging panel. We had a great time.

Mark your calendars for the next District events - - on September 12th the meeting will be at the Neptunian Woman's Club of Manhattan Beach at 920 Highland Avenue in M.B. Plan to sign up at our September meeting. And, the Area C Conference will be at Fort MacArthur on October 25th. This is an opportunity for you to become better acquainted with our State President; 1st and 2nd Vice Presidents as well as other Woman's Club members from the entire area. \$30.00 covers the day - breakfast, lunch and the program in an absolutely gorgeous setting. Look for a sign-up sheet for this event at our September meeting as well.

Second Vice President - Beverly Greeno

ART, MUSIC, CRAFTS AND OTHER FUN STUFF!

**CFWC Arts in the Community Chairman
Mary Linn Coleman
Yes, this is our own Mary Linn Coleman**

I can't tell you how thrilled and excited I was when our CFWC President, Vicki Holden asked me to take this Chairmanship during her 2008/2010 administration. There has been a lot to learn, but since our organization has so many talented and sharing women, I have already found all kinds of support and help. "Together We Care" works for our clubs, Districts and State activities!

My Special Emphasis during this Administration is supporting Arts Education programs in California schools. Bulletins distributed to the District Art Chairmen contain information and websites for researching

how we all can help the schools in California. If you have any ideas or suggestions, please let me know and I will send information to all our Districts.

One of my goals is to encourage participation by as many of our Club women and Students as possible in our Art and Craft Contests. They are Clubwoman Crafts, Student Art, Clubwoman Art and Young Musicians' Music Competition. Hopefully, this will be an exciting and fun highlight of our CFWC Convention next April 30th to May 2nd in Los Angeles.

How to raise money and have fun at the same time! With this idea in mind the Art Department is launching a sell stuff, get donations and any other idea to raise funds for monetary awards we hope to present to the children who enter the Art and Music Contests. Any individual or club can also send a donation directly to Norma Hayos, CFWC Financial Secretary. I have a Donations Remittance Form to use for this purpose. I will be happy to make copies for anyone who wants one.

The Painted Turtle Camp in Lake Hughes, CA can use our help again. Check out their website at www.thepaintedturtle.org under "Other Ways to Contribute" for information on bed quilts, lap quilts, turtle pillows and full-sized aprons (ages 7-17) for their arts and baking centers.

Bunco Chairman - Bernadette Kociemba

Our October Bunco this year will be a night game scheduled for Wednesday, October 15, at 7:00 P.M. It will be open to the community as well as to all of our club members, many of whom still have daytime obligations. Hopefully this evening social event will also give the Woman's Club some added exposure as a philanthropic organization. If you have any questions, contact Bunco Chairman Bernadette at (310) 530-4530.

DID YOU KNOW?.... there is a ramp at the side of TWC's building for ladies who have difficulty climbing stairs? It can be accessed by driving through the alleyway in back of the clubhouse. Members can be dropped off there and drivers can then find a parking place on the street.

We hope all of the TWC ladies, who are not feeling up to par, will be feeling better real soon.

Betty Abby tells us that member Jacque Baker is now at the Royalwood Care Center on Maple Ave. in Torrance. She enjoys receiving cards and hearing about the club activities. Please send cards to her home address. She misses coming to the TWC meetings and hopes to be back one of these days.

We also hear Marlys Judd is feeling better and Darlene Paine had shoulder surgery. Hope to see you all back at the Club House soon.
