President's Message

Dear Friends,

Our June installation for new officers was amazing. Madonna did such a great job writing and presenting her own rendition of Running for the Gold. All the board members received sparklie gold caps and information on how to help TWC achieve the GOLD in our race to success. Madonna is truly one of many TERRIFIC WOMEN in our club.

I'm happy, but a little nervous, taking on this big position, but with Deanna Hanson on one side and Sharon Hooper on the other side I'm feeling excited. The board consists of many hard working ladies. I'm very happy to be working with all of you. YOU are what makes TWC GREAT.

This summer the board has been planning our programs and fundraisers for the coming year. I hope all of you find something meaningful and inspiring. Remember, there is something for everyone here at TWC. If you want to help out or participate in any or all of our upcoming events please let me know. As Terrific Women I know you all Can give something of yourself, no matter how small or large, to our great club.

Enjoy your summer!

Love

Barbara

Fran Day, Third Vice President! Thanks Fran

Fran Day and her group of ladies spent six days counting and tallying ballots for the Daily Breeze "My Favorite" contest. There was lots of adding and lots of laughter as we went through the categories. This is just one of the many opportunities Fran finds for us in the community. Our payment, besides some very good lunches, will be big advertisements in the Daily Breeze for some of our fund raising events.

We also helped out at the Torrance Memorial Hospital Golf Tournament which is one of their big fundraisers. We thank Fran for all her hard work keeping TWC out there and noticeable in our community.

Fran and other TWC ladies participated in Torrance's Rock Around the Block on July 21st. Lots of neat cars, poodle skirts, entertainment and games. TWC had a table with scrap books from the 50's available for the public to look through and the ladies answered questions about the club. One more place each year that Fran has put TWC in the public eye.

Watermelon Walk/Run

Five TWC ladies did the Long Beach Watermelon Walk/Run in June at El Dorado Park. This event took place in the evening and it was nice going through this beautiful park and ended up with a “Watermelon” at the end. We are thinking of doing the Orange County Fair 5k on August 7th. It goes throughout the Fair Grounds before the Fair opens to the public. You can also get in the Fair that day or another day free with your Bib number.

Ron’s Days Off - Barbara Freeman

We are giving Ron Sundays and Mondays off so he can spend time with his wife who is also off these days. Please try not to call him on these days unless you really need to. If necessary give me a call first. Not sure I will be of help but I’ll try. He is such a help to us and we value his expertise and helpfulness. I can’t imagine our club without him.

Helpings Hands

The September helping hands meeting will be a workshop to learn how to make greeting cards. The date is September 14th at 10 o'clock AM. All members are welcome to participate.

TWC Member Health

Some of our members have been under the weather for different reasons and we hope they are feeling better soon. Lois Jones had a knee replacement and is moving around just great. Judy Wagner spent a few days in the hospital but is feeling better now. Sharon Hooper broke her ankle on both sides while she was visiting in Napa, had a three hour surgery to repair the break and is home recuperating and resting waiting to be mobile again. If there are any other TWC Ladies not feeling up to par we hope they are feeling better soon.
