### ***Presidents Message Terrific Women Can!!***

As my two year term comes to a close I have such mixed feelings of happiness and sadness. This has been such a learning and growing experience for me. I truly love this club and the ladies who make it up. I know next month when Sharon takes over she will have the same great feelings for this great club. Please stand behind her and give her the love and support you have given me.

I attended the Marina District Convention on Saturday along with 20 other TWC ladies. We definitely stood out in our Red, White and Blue along with our Red sparkly hats. Torrance always seems to take center stage at these conventions and it was evident when all the awards were passed out. We received so many 1st place certificates and that is because we have great members who do great things. All your reporting and Sharon's writing made this possible. At the end of the convention our own Mary Linn presented the Volunteer of the Year award. The theme of this award/trophy is "I make a difference". All the clubs were asked to submit a member we thought was worthy of this award. We submitted Fran Day and we were all cheering when Mary Linn announced Fran as the winner of this years award. Fran is really a great lady always saying "Yes" to anything we ask of her. I know she always wants the best for the club and works hard to make us shine here in Torrance.

Our May program is our Fractured Follies and I'm looking forward to seeing what Judy Burrow has created this year. Between Judy and Fran Glauber we always have such fun with their skits. How lucky we are.

Our fundraiser for May is Off to the Races. This will be a day of fun and fellowship. GG Mansfield has put together a perfect day and I hope to see you all there. Not sure there are any tickets left so if you want to go check with GG and see if she can fit you in. Our fundraisers this year have been so successful and Fran Glauber should be commended for all the money she has raised for TWC...

Love, Barbara

As our club year is winding down, I want to thank everyone for making my job so easy. Your record keeping and recorded hours have made report writing so much easier. Congratulations on the awards we won at the Marina Convention. Yes, Marina is number one.

The Fashion Show was so much fun. Loved the fashions (I bought way too many, my credit card melted!!) It was a huge success and as always, working with Ron and West Coast Catering is such a dream. Thank you to a fantastic committee, again number one!!
