President's Message – Sharon Hooper

As a new club year begins, take the challenge to **"Be All You Can Be"**. Your officers and chairmen are busy planning events and projects to bring fun and a productive year ahead. This is the most amazing club and group of women, anywhere.

We serve our community and truly make a difference to many organizations. Each of us have different talents and desires, making our partnership with each other especially important. If you have a special project that you would like TWC to support, step up and bring it to the membership's attention.

Remember **"We Are As One"**.

In Federation, Sharon

TWC Membership – Beverly Greeno

Hello to all and welcome to 2013 -'14, TWC Club Year!!

The lazy, hazy, crazy days of summer are about to move on.... It's "**Back to Club Days**"; days of planning and preparation; plus, a year of togetherness, philanthropy, and good will.

My goal for the Club year is to "**CREATE A WELCOME ATMOSPHERE**" as ladies enter the TWC Clubhouse. Please join me as we continue to share our hospitality to our visitors and guess who may be our potential members.

Membership campaign begins Sept 1; Let's introduce those potential members to our interesting club meetings and unique activities. If an interest is visible, membership application packets shall be available *and* ready to circulate.

Welcome back to Terry Helmy and Connie Vassie. They have renewed their club membership after separation of being interested, but in-active members. 'Tis amazing what TWC members have completed within and around our Torrance Community for 90+ years. But, there's much more waiting for us to accomplish. Prepare yourself to be an asset and an active volunteer representing TWC.

Wanted: Obsolete/outdated TWC (2012-13) Yearbooks. On behalf of PVT Policy Act, protect your personal information (name, address, phone numbers). As a courtesy of our Membership Chairman, I volunteer to shred all Yearbooks brought to the Club House. A collections container will be available during September and October.

* Be a **STAR** member! Our Club proves its good quality through your attendance. Attendance at our meetings, our functions and our activities, exemplifies your interest and the importance of 2013-2014 Membership.

* * Plan now to attend our General Meeting at our Club House on Wednesday, September 4; 10:00-11:00 for our Social hour and our Business meeting starting at 11:00.

See ya Soon!! Beverly
