PRÉSIDENT – Fran Day

What a year - It went by so quickly. Many new members which means new volunteers and chairman promising the new year of exciting ideas.

And what a month. Let's start with May club meeting with our glamorous ladies – Counting at the Daily Breeze - A memorial – Mother's honors – The Aging Expo – Set-up and meeting for the District – Honoring our own Bette at City Hall – The Big Parade – Eating out at Chili's – Game day fun – Another memorial - Honoring our fallen warriors – And a lot of volunteering days including delivering meals – And finally a board meeting. They say keeping busy keeps you young...who are these people?

See you at the June business meeting raring to go – again. Fran

Vice President – Bette Herbst

Beverly Greeno's recap of all the past TWC Activities was amazing, our Club participation in the community should make us all proud. Thank you, for all that you do.

There are some ongoing activities over the Summer, the monthly board meetings and put August 14th on your calendar as that is the District Picnic. Mary Linn provided us with a day of fun and good food last year so we can look forward to the same this year! This was where I met a representative from "St Anne's" and was so impressed with the services provided to women.

Have a great Summer, remember to be careful of water usage as this once again a serious drought season.

As Membership Chairperson, my personal appreciation and thanks to the 138 women who forwarded their membership renewal to TWC for the 2015-2016 year. Along with your Membership comes a variety of interests and promotions and responsibilities of our philanthropy obligations. Active participation, consistent attendance, and personal dedication, plus interesting talent, learned wisdom, and supportive friendship are attributes towards our yearly mission and various activities chosen by Chairpersons. The above says it all for the TWC. Let us, 138 women, continue working together to improve our Club as one of the best the Marina District.

Newsletter Editor – Irma Chiota

Well ladies, I have been your Newsletter Editor for two years now and it is time to take a break. During my two years as Editor, you have sent me many wonderful compliments on the format and contents of the Newsletter, THANK YOU SO VERY MUCH! It made me feel Wonderful that I was helping you to keep active in the Club by telling you when and **where to go**. If you couldn't make an event, at least you could see photos of the fun we had and maybe join us next time. I also loved getting the "just talk'n" emails from our Members

THANK YOU !!

I would like to thank **Lou Schumacher** for mailing out ALL the HARD COPIES of our monthly Newsletter. She has been in the background for many years doing awesome job and not just for me. THANK YOU LOU – You are a Jewel!!!

I have to TOOT my own horn: My proudest accomplishment during these two years has been to initiate putting Head Shots of each member in our Yearbook. I felt it was important to be able to connect the Faces with the Ladies names, so when a name is mentioned in the Newsletter or sent in an E-Blast you could see who we were talking about. Maybe you sat with this great lady at lunch today but forgot her name, now you can go through the book and find her. We have 138 members, can you remember them all?

Have a wonderful and healthy Summer and see you in September. Just takin a break - Irma
