We had twenty three ladies at our October meeting, working away tying cuddle blankets, putting faces on huggie bears, cutting batting, sorting materials, making items for the Holiday Boutique and having a fun day. We invite everyone to come. We meet the 3rd Wednesday of the month from 10:00 AM to 12:00 noon.. Come and see what we do.

A large donation of material was given to us. Mostly cotton prints & solid colors. If you need material call me at (310) 371-0838.

Helping Hands delivered 50 cuddle blankets to Rainbow Services, in San Pedro, this month to be given to children of battered women.

THE HOLIDAY BAZAAR COMETH!!

Ladies of the club: Pam and I will be collecting your donations on **Tuesday, Nov. 3 from 9-11** at the clubhouse. Bring your delicious jams, applesauce or baked goods and your handcrafted and decorative items so that we will have plenty of time to display them. Please remember this sale is for new items. (Save those previously owned items for the rummage sale in January.) Don't know how to price your donation? We'll be happy to do it for you.

We would like to thank Hope Rhodes for the handwoven items she has already donated to this year's bazaar.

If you can't come Tuesday, we will be at the meeting by 9:30 to accept donations. The sale will begin at 10:00. Don't forget your cash or checks.

New members may be unaware what happens to the proceeds from the bazaar. TWC gave \$10,000 in scholarships to TUSD seniors, El Camino nursing students, and children raised in the foster care system this past spring! These scholarships are partly funded from the bazaar.

Fall is the best time to attend TWC meetings. We turn back the clocks and prepare ourselves for the fast approaching Holiday Season.

Do you read your club yearbook? I refer to mine because there's a wealth of information on the pages. It's like a TWC history book for the year: committees, chair persons, programs, dates, membership and much more.

The Fall specials at TWC include:

Annual boutique/bazaar fund raiser provided by TWC members.

No parking fee, No minimum purchases, November is USO month. Support our men and women of our armed services., New beginnings for new members.

Kudos to Gina Radocchio, Irma Chiota, and Bernice Roberson for promoting membership. New members are: **Lou Ann Flaherty, Joan Sadillo, and Winona (Nonie) Yoder**. Please join me and together we'll welcome our new members during Wednesday's meeting. AND here's the KEY - Laughter is often

referred to as a KEY ingredient for a memorable membership. Let's wear our 'happy smile' as we meet our new members.

People will forget what you said; People will forget what you did; BUT, people will never forget how you made them feel.

Let them discover the bright side of their membership at TWC. AND retention of our new members begins at the time they sign their application. Mentors: New members need to be aware of whats going on in our club, how they may be involved to volunteer and the importance of "making a difference" in our community. Enjoy the Thanksgiving Holiday PS (Long range planning) Clear the clutter, organize your home and be ready for our annual rummage sale, Saturday, January 31st.

Deanna Hanson, Beth O'Gorman and Fran Day volunteered at the PTN Halloween Ball. Don't they look good!!

Deanna, Jeannine and I worked two days at the Volunteer Center and Kathleen and I volunteered at the HELP dinner event.

TWC Members are out there helping the community.

Conservation Chairman - Sharon Saffer

FYI: In 2009 the Torrance City Council adopted a Water Conservation Ordinance. Level 2 water requirements are now in effect. Level 2 calls for up to 30 percent water use reduction, no outside watering from 8am to 6pm, outdoor watering limited to two days a week for ten minutes per area or irrigation station, fix all leaks within four days, no watering for 48 hours after a rain event, certain restrictions on filling and refilling of pools, spas and ponds, and provides for administrative rules to implement the ordinance. To read more about this ordinance including permanent requirements etc. go to torranceca.gov.

TWC Member, Nona Kozak's new address

Nona Kozak is now living with her daughter Brenda. Here is her new address and I'm sure she would love to get cheery cards from her TWC friends. Nona is a long time member and has served in many offices in our club and at the District level. We don't want to forget about members who have supported and contributed to Woman's Clubs so drop her a card. She will so enjoy hearing from you.

Fund Raiser for Torrance Fire Station One

What a great time we had at our Supper Club Gala. The food was great and **Peter Wagner** playing his keyboard and singing really added to the event. Lots of raffle prizes and silent auction items rounded the evening out. **Pam Sheerin** will be eating lots of chicken as she won THREE El Polo Loco gift cards. **Frankie Manker** won the dinner at the Fire Station. Lucky her, **Roberta Smith** won the airplane ride which she says will go to her grandson, and **Mary Linn** won a Whale Watch gift certificate. Funny that she won this as not long ago she told me she wanted to go Whale Watching. **Pam Hill** will be going to Catalina. Please don't take **Jeaninne**, she just went with Deanna and I for our free birthday trip and she bought some great items.

BUT I must say those firemen really made it a memorial evening. Sitting with the ladies, talking and eating dinner. How lucky we were. I hope you all saw the taping of the event on cable channel 3 - This Week in Torrance. It showed one of the fireman's interview and he said it was amazing what we do for the community and he enjoyed talking to the members. He also said how honored they were to have this event benefit their work out equipment.

A BIG THANK YOU to Mary Linn Coleman, Jeaninne Glomboske, Bette Herbst, Roberta Smith, Beth O'Gorman, and Deanna Hanson. Also THANKS to Detlif Herbst and Walt Keller for taking care of

our bar and Ron for donating all the food. You can see it takes many members to put on a fund raiser. I hope you all enjoyed it.

Love,
Barbara

"No, Walt isn't Detlif's Dad!!"
