Marina District #18 CFWC - GFWC

President's Message - Fran Day

BINGO - that sound was heard many times on game day. Lots of fun. We who did a count at the Daily Breeze - it was a breeze and we have more to come.

Don't forget the Aging Expo on May 7th at the Marriott Hotel. We will have a set up there.

The weather has made it easy for us to get about doing our volunteering duties. Looking forward to our big fund raiser, the fashion show "SAFARI" on April 9th. Get your reservation in soon.

TWC has much fun, so many interests, things to do, places to go. Judy, Marilyn and Bernice will keep you busy. See you at club.

Love
Fran

**First Vice President - Bette Herbst
Dean of Chairman**

The Marina District Convention will be held at the Double Tree Hotel in Torrance on April 16th. Registration is from 8:00 AM to 9:00 AM. There will be a continental breakfast and lunch for a donation of \$ 40.00. Make your check out to TWC and give it to Mary Linn Coleman - Treasurer. All members are welcome.

This past club year has gone by quickly and is almost over and our club election is coming up at the April 6th TWC-meeting.

Thank you for the opportunity to be the club's First Vice-President. It has been an amazing experience.

My name will not be on the ballot for club President as my concerns are with my husbands health and I would not give the position the necessary attention I feel it needs.

Thank you to all the club chairmen for the time you give to our club, your efforts are what make the club a success.

Happy springtime,
Bette.

Home Life Chairman - June Baker

Thank you for the coupons, can tabs and labels
you have submitted, and for all your time and effort in
accumulating them. You are awesome!

In January I still
had a lot of sorting and
tossing and counting, but
February and March coupon
submissions have been above
and beyond my expectations
- both in quantity and manner
of submission. I mailed a

total of 9,798 coupons on 3/4.

In February I was finally able to give Ronald
McDonald house two one-gallon plastic bags of pull
tabs, bursting at the
seams. Even if you
recycle your cans, take
the time to remove the
tabs and help some
families stay close to
their hospitalized
children. It means everything to them.

Finally, Box Tops for Education and Labels for
Education. Note that the area where the points are

located has a dotted line
which shows where it is to be
cut out. Please submit only
those portions of the box top
or label. We seem to be hung
up on Campbell's soup labels,

but these points are on SO many other products. You can
look them up here or, if you don't have a computer or
printer, I will print out on request and bring to the next
meeting for you.

For the benefit of new members and as a
refresher for others, I am preparing an instruction board
on how various items are to be submitted, and I will set
up on the back table before each meeting. Putting
instructions in the bulletin would take too much space -
but you can always take a "selfie" with my board!!!
